Date	Location	
07/07/1999	West-Vlaanderen, Belgium (date of ringing)	Zeebrugge (Voorhaven),
07/07/1999	West-Vlaanderen, Belgium	Zeebrugge (Voorhaven),
15/08/1999	Kanaaleilanden	Guernsey (Cobo Bay),
03/10/1999	Kanaaleilanden	Guernsey (Rocquaine),
16/06/2001	Wijster (Vuilstort)	Drenthe, Netherlands
20/06/2001	Wijster (Vuilstort)	Drenthe, Netherlands
11/06/2005	North Foreland	Kent, United Kingdom

It was thought that this bird was dead as there had been no sightings after the Dutch sightings in June 2001. Eric Stienen, the project coordinator, now thinks that the bird may have relocated to a British breeding colony.
