

Netting Capel-le-Ferne

Mon 31st May 2004

Quite a bit on the wing - lots of Butterflies (Common Blue, Green Hairstreak and Dingy Skipper the most numerous) and a few day flying Moths plus other bits and bobs like Common Lizard, Rose Chaffer etc.

Micro's:

Carnation Tortrix = 2
Epiblema Scutulanum = 1
Light Brown Apple Moth = 2
Nettle-Tap = numerous
Alabonia Geoffrella = numerous
Pyrausta Nigrata = a few
Pyrausta Cespitalis = a few
Crambus Lathoniellus
Scoparia Pyrallela
plus 3 unidentified: 1 Ancylis + 2 Dichrorampha's (help me o' Hairy one!)

Macro's:

Purple Bar
Garden Carpet
Speckled Yellow = common
Yellow Shell = 5
Latticed Heath
Common Heath = a few
Burnet Companion = only 1
Mother Shipton = 2
Small Purple Bar = c10

Butterflies:

Speckled Wood
Brown Argus
Common Blue
Adonis Blue = 2+ (didn't know they were at the site)
Large Skipper = 1
Dingy Skipper = 15 - 20
Green Hairstreak = 20+
Small Copper
Small Heath
Plus a few assorted Whites and a Peacock.
